(Tear on dotted line)

Dear Fellow UBSDM Alumni Family,

We hope that you have had a wonderful start to the new year, personally and professionally. 2023 was quite a year for the UB Dental Alumni Association and the School of Dental Medicine as we welcomed our new dean, Marcelo W.B. Araujo, DDS, MS, PhD. Dr. Araujo's main focus is on conducting research that will translate seamlessly into the academic and clinical settings. In addition to our new dean, the UB School of Dental Medicine has been ranked No. 7 in the nation and No. 11 worldwide according to the 2023 Global Ranking of Academic Subjects by the Shanghai Ranking Consultancy!

The UBDA will be hosting the **47th Buffalo Niagara Dental Meeting November 6-8, 2024**, so mark your calendars! This is a very special time, not only for reunion classes, but for all SDM alumni to reconnect, and have the opportunity to see, first hand, the incredible improvements, updates, and additions to our School of Dental Medicine facility. It really is incredible, and we thank you for your support.

Planning is underway for our hospitality reception in October at the **ADA Annual Session in New Orleans, Louisiana!** Stay tuned for event details. We hope to see many of you and your families there! Please visit the UBDA website (dental.buffalo.edu/alumni) and connect with us on social media for more alumni events and opportunities!

The UBDA will be welcoming a new group of SDM Alumni to our family in May 2024, and we are so proud to support this new group of dentists as they make their way into the dental profession. We appreciate your continued support of the University at Buffalo Dental Alumni Association and remind you that your membership directly supports the aspirations of current students of the School of Dental Medicine through scholarship, charity, social events and more! This, in turn, allows us to empower the next generation of dental professionals and strengthen our bond with future alumni.

I look forward to sharing a great year with our alumni community. We hope to see you at some of our networking events throughout the year and continue the tradition of excellence that the UB Dental Alumni Association has maintained throughout the years

Sincerely,

Joseph T. DeLuca DDS '07, President
University at Buffalo Dental Alumni Association

Amy Stone Nagai DDS '09, Membership Chairman
University at Buffalo Dental Alumni Association
