FALL 2017 ELECTIVE AND CONCENTRATION COURSES

Students that are interested in applying for a "Concentration" in a specific area should refer to the Program Advisor for detailed information regarding the concentration program and registration information.

<u>Concentration</u>	<u>Program Advisor</u>
Esthetic Dentistry	Dr. J. Yetto
Fixed Prosthodontics	Dr. J. Kuracina
Oral Biology	Dr. D. Scannapieco
Pediatric Dentistry	Dr. Wanamaker
Periodontics	Dr. S. Ciancio
Thesis Honors (See Concentration & Thesis Programs Brochure)	Dr. Mira Edgerton

Most Faculty Members are assigned Independent Study and Research Courses. Predoctoral Students wanting to take these courses need to get permission from the instructor and register for the appropriate course as listed in the class schedules section of MyUB.
