

University at Buffalo
The State University of New York

School of Dental Medicine
Business Operations

Thank you for your interest in the UB School of Dental Medicine (UB Dental) .

Please complete the following information and return to UB Dental Patient Admissions, 103 Squire Hall, Buffalo, New York 14214 and a staff member from Patient Admissions will contact you within 5 days of receipt of your paperwork to schedule a New Patient Screening appointment. There is a fee for the screening visit as well as fees for radiographs (x-rays).

Visit our website @ <http://dental.buffalo.edu/> and click on "Patient" to view the "Patient Orientation Video" for helpful information regarding your upcoming experience at the University at Buffalo School of Dental Medicine.

Enclosed please find:

- 1) Parking permit with instructions (allows for free parking in clinic patient parking areas only)
- 2) Clinic Patient Parking brochure (a map of patient parking areas on campus)
- 3) Medical History Questionnaire
- 4) Oral and Dental History Questionnaire
- 5) Patient Application (Demographic Form)
- 6) Insurance Information Letter
- 7) Prospective Patient Information
- 8) Acknowledgement of Patient Rights and Responsibilities

Before you are contacted you MUST return the following completed forms (front and back sides if applicable) to UB Dental Patient Admissions, 103 Squire Hall, Buffalo, New York 14214:

- 1) Patient Application
- 2) Oral and Dental History Questionnaire
- 3) Medical History Questionnaire
- 4) Acknowledgement of Patient Rights and Responsibilities
- 5) Copies of recent radiographs (x-rays) from your previous dental care provider (if applicable). If you have current x-rays of good quality, it MAY exempt you from the fee for radiographs. However, your x-rays MUST be less than one year old, of good quality (paper copies of digital x-rays are NOT acceptable), and must be received with your paperwork **prior** to your New Patient Screening visit.

On the day of your scheduled appointment:

- 1) Park your vehicle in one of the designated patient parking areas (see brochure)
- 2) Place the enclosed parking permit on the dashboard of your vehicle.
- 3) **Check in with the receptionist at the Patient Admissions window, room 103.**
- 4) **There is a \$53 fee for the screening visit as well as radiographs (x-rays) taken during that visit.** Please make check or Money Order payable to "UB School of Dental Medicine". **Patients with Medicaid insurance MUST present his/her card upon check in for eligibility verification.**
- 5) Photo I.D. will be required at the screening appointment, and may also be requested at any other time. Please remember to bring this document with you to your scheduled appointment. This is in accordance with the Federal Trade Commission Red Flags Rule (16 CFR 681.2).
- 6) Wheelchairs are available (if needed) from the first floor receptionist.

Questions regarding the application process can be directed to Patient Admissions at (716) 829-2732.

Circle ONE of each ONLY

CLINIC APPOINTMENT TIME

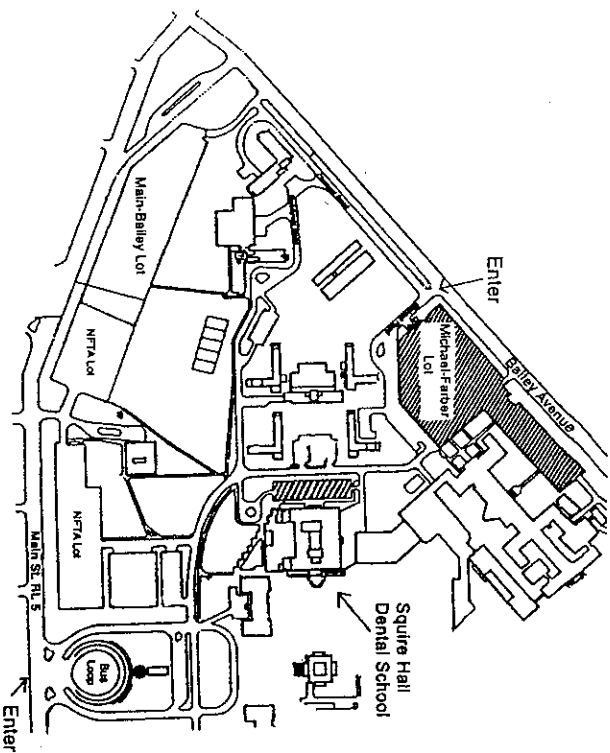

AM (8AM - 12:30PM) **PM** (12:30PM - 5PM)

Permit valid in Squire and Michael Lots **ONLY**.

Permit must be displayed on inside front dashboard.

ALTERED PERMITS ARE INVALID

(SEE BACK FOR ADDITIONAL INFORMATION)

Parking: There are two patient parking areas (shaded on map): adjacent to the school and the Michael-Farber Lot.

1. **Adjacent to the school** Limited parking is available in the Patient Parking Lot next to the Dental School (Squire Hall).
2. **Michael-Farber Lot** Parking is also available in this lot.

Parking Permits: A permit is always required. If you do not have one, immediately request one from the front desk in Squire Hall or from your dentist. The correct day, month, and time must be circled. Appointments between 8 AM and 12:30 PM should have "AM" circled; appointments between 12:30 pm and 5 PM should have "PM" circled.

Parking Permit

Please circle correct month, day and time

Directions for Parking Permit

1. Please circle the month of your scheduled appointment (bold numbers along the sides of the parking permit) January=1, February=2, etc. Only one month should be circled.
2. Please circle the day of your scheduled appointment (smaller numbers in the center, numbers 1-31). Only one day should be circled.
3. Please circle the time of your appointment (AM or PM). Only one clinic session should be circled.

For example, if your appointment is on August 23 at 9:00am, your Parking Permit would look like this:

Circle ONE of each ONLY

6	DAY	7
5	1 2 3 4 5 6 7	8^M
4	8 9 10 11 12 13	9^O
3	14 15 16 17 18 19	10^N
2	20 21 22 23 24 25	11^T
1	26 27 28 29 30 31	12^H

CLINIC APPOINTMENT TIME

AM (8AM - 12:30PM)	PM (12:30PM - 5PM)
------------------------------	------------------------------

Permit valid in Squire and Michael Lots **ONLY**.
Permit must be displayed on inside front dashboard.

ALTERED PERMITS ARE INVALID

(SEE BACK FOR ADDITIONAL INFORMATION)

4. Please place Parking Permit on dashboard of your car.
5. You must park only in designated School of Dental Medicine parking spaces with the Permit properly displayed on your dashboard or you will be ticketed.

Where to Park

The School of Dental Medicine guest permits are valid only in the lots/areas indicated below. *See Parking Map inside*

A. Squire Lot
outside the School of Dental Medicine from 8:00 am - 5:00 pm

B. Tower Lot
across from the Squire lot outside the School of Dental Medicine from 8:00am - 5:00 pm

C. Michael-Farber Lot
right off Bailey Ave. between Main St. and Winspear Ave. parking is available from 8:00 am-5:00 pm

D. Seasonal Valet Service*
operated by AllPro Parking - located at the drop-off circle in front of the School of Dental Medicine
**operates October through April months*

Designated handicapped spaces for those with valid permit are available in all patient parking areas. All patients are cautioned not to park in any parking areas other than those described herein. Parking regulations are strictly enforced. If you receive a parking citation contact Parking & Transportation Services at 829-2887 for information.

Please direct comments and questions regarding parking to Parking and Transportation Services (829-2887)
Email: ub-parking@buffalo.edu

Location

The School of Dental Medicine (Squire Hall) is located on the South Campus of UB at the corner of Main & Bailey. The SDM is a short walk from the Metro Bus and Rail University Station. Driving Directions to the dental clinics are posted throughout the campus.

Clinic Hours

Clinic hours are 9:00 AM to 12:00 PM and 1:00 to 4:00 PM Monday through Friday. Clinics are closed weekends and some holidays that are recognized by the University.

Procedure for School of Dental Medicine Parking

A parking permit from the School of Dental Medicine is **ALWAYS** required.

Before leaving an appointment, obtain a new permit for your next appointment. If you did not receive one, ask that one be sent to you or obtain one immediately from the front desk in Squire Hall.

The correct month, day and time must be selected. Appointments scheduled between 8 a.m. and 1 p.m. should have "AM" selected. Appointments scheduled between 12 p.m. and 4 p.m. should have "PM" selected.

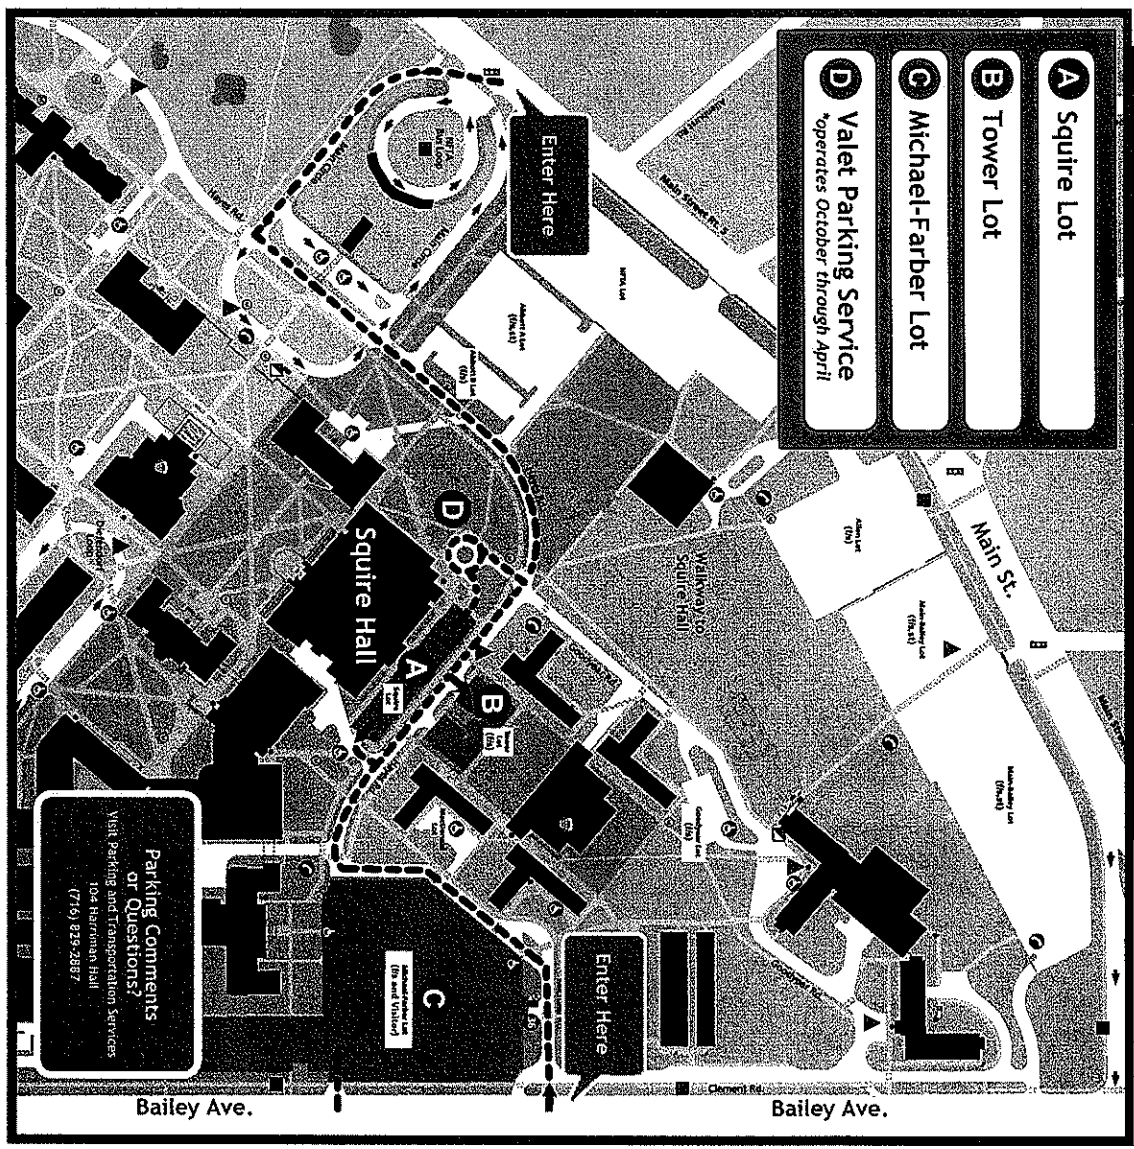

You must park in designated School of Dental Medicine parking space with the School of Dental Medicine Permit properly displayed.

Special note: Dental patients who are UB students, faculty, or staff must utilize appropriate student/faculty/staff lots.

ORAL AND DENTAL HISTORY QUESTIONNAIRE

Patient Name: _____

In general, how would you characterize your past dental care? [] Routine [] Episodic [] Emergency

When was the last visit to a dentist?: _____

What was it for?: [] Checkup [] Filling [] Toothache

Have you ever had a bad experience during dental treatment?: [] Yes [] No

What was it for?: [] Fainting [] Bleeding [] Reaction to local anesthetic

Have you ever had a complete set of dental x-rays of any type?: [] Yes [] No

When were your last dental x-rays of any type?: [] One year ago [] Two years ago [] Three years ago

How often do you brush your teeth?: _____ What kind of brush do you use?: _____

Has anyone ever shown you how to clean your teeth?: [] Yes [] No

If yes who?: _____

How often do you floss?: _____

Does floss catch, fray or break in any area of your mouth?: [] Yes [] No

Do you brush your tongue?: [] Yes [] No

Do you (or the patient if a child) have any habits that involve your mouth?: [] Yes [] No

If yes check all that apply: [] thumb sucking [] going to bed with bottle

[] grinding [] clenching [] biting nails [] holding pins

Do you think you have bad breath?: [] Yes [] No

Do you use a mouth rinse?: [] Yes [] No

Do your gums bleed?: [] Yes [] No

Do you have any trouble talking?: [] Yes [] No

Is your mouth dry?: [] Yes [] No

Have you lost time from work or school because of dental problems? [] Yes [] No

Are you satisfied with the oral care you have received?: [] Yes [] No

Are you aware of any swelling, soreness, rough areas, ulcers, erosions or color changes in your mouth?: [] Yes [] No

Have you ever had any of the following types of dental treatment? (check all that apply):

[] braces [] implants [] jaw surgery not involving teeth [] gum surgery [] root canal

Have you had radiation to your head and neck?: [] Yes [] No

Do you eat candy and snack food?: [] Yes [] No

Do you use tobacco?: [] Yes [] No

Do you drink alcohol?: [] Yes [] No

What type of dental work do you think you need? _____

TOOTH RELATED HISTORY:

- Do you like the way your teeth look?: Yes No
- Do any of your teeth feel loose?: Yes No
- Are your teeth sensitive to heat, cold or sweets?: Yes No
- Do you have pain, soreness, or tenderness in any head or neck muscles?: Yes No
- Do you grind, clench or grit your teeth?: Yes No
- Are there any new spaces between any teeth?: Yes No

PROSTHETIC (DENTURE / PARTIAL DENTURE) HISTORY:

- Do you have dentures?: Yes No
 If yes, Upper Lower
- Do you have partial dentures?: Yes No
 If yes, Upper Lower
- Why were your teeth removed?: _____
- Do you have any problems with your jaw bone?: Yes No
- Do you have any problems wearing your dentures / partials?: Yes No
- How many dentures / partials do you have?: _____
- How do you clean your dentures / partials?: _____
- Do you wear you denture / partials all of the time?: Yes No

TMD HISTORY:

- Do you have difficulty or pain, or both, when opening your mouth, as for instance, when yawning? Yes No
- Does you jaw get "stuck", "locked", or "go out"? Yes No
- Do you have difficulty or pain, or both, when chewing, talking or using your jaws?: Yes No
- Are you aware of noises in the jaw joints?: Yes No

University at Buffalo
The State University of New York

School of Dental Medicine
Business Operations

Dear Patient,

Thank you for requesting information about becoming a patient of the School of Dental Medicine (SDM).

Regarding Payment For Dental Services & Dental Insurance

Payment is due at the time of service. The SDM accepts cash, credit cards, and personal checks. The SDM participates in the Healthplex (for Independent Health, BlueCross BlueShield, and Univera) and Dentaquest (for Fidelis) Medicaid and Family Health/Child Health Plus programs.

For Patients With Private Dental Insurance

Patients with insurance other than Medicaid and Family/Child Health Plus mentioned above must pay at the time of service. As a courtesy to such patients, the SDM will provide a summary of procedures paid in full, which can then be submitted to the insurance company for reimbursement. If you would like such a form, please request it from the cashier.

Patients with private insurance are strongly encouraged to contact their insurance company for coverage and eligibility information *prior* to beginning treatment because some insurance companies will not reimburse for treatment rendered in an educational setting.

Please Call Us With Any Questions

Please feel free to contact us at 829-3226 should you have any questions about making payment for dental services.

Thank you.

University at Buffalo
The State University of New York

School of Dental Medicine
Business Operations

PROSPECTIVE PATIENT INFORMATION

Thank you for your interest in becoming a patient at the University at Buffalo School of Dental Medicine (UB Dental). As a patient you will make an important contribution to the education of our student dentists. Prior to acceptance we require prospective patients to proceed through a 'New Patient Screening Appointment.'

Application and screening do not guarantee acceptance. Many factors influence your acceptance into our educational program including but not limited to: the current condition of your oral health and your availability. Once we receive your completed application a staff member from Patient Admissions will contact you within 5 days to schedule an appointment.

WHY MUST I COMPLETE THE APPLICATION BEFORE AN APPOINTMENT WILL BE SCHEDULED?

Due to the economical value and the high quality of dental services offered at UB Dental, there is often a waiting list to become screened and accepted as a patient. Obtaining all required documentation prior to the screening will help streamline your visit.

HOW MUCH IS THE SCREENING AND WHY IS ONE REQUIRED?

A non-refundable fee of \$53.00 has been set to cover the cost of establishing a patient record, processing the information, the initial evaluation and a panoramic radiograph (x-ray), if needed. If current x-rays of good quality have been received prior to your New Patient Screening Appointment, you may not require the panoramic x-ray. Please make check or money order payable to "UB School of Dental Medicine". Individuals with Medicaid insurance are **NOT** required to pay the fee; however, you must provide us with enough information to determine your Medicaid eligibility. Fees are subject to change at any time.

FAILURE TO BRING MEDICAID CARD OR PAY SCREENING FEE WILL RESULT IN HAVING TO RESCHEDULE YOUR APPOINTMENT.

WHAT WILL HAPPEN AT THE SCREENING APPOINTMENT?

Your screening appointment will consist of the following: 1) A student dentist and faculty member will review your medical and dental health history forms that are to be completed by you prior to your appointment. 2) A preliminary assessment of your current dental condition will be completed. 3) Radiographs (x-rays) may be ordered, unless you have already submitted current x-rays with your application. 4) **Photo I.D. will be required** at the screening appointment, and may also be requested at any other time. Please remember to bring this document with you to your scheduled appointment. This is in accordance with the Federal Trade Commission Red Flags Rule (16 CFR 681.2). 5) You will receive a complimentary toothbrush and floss.

Patients who do not qualify to participate in our clinical educational program will be notified in writing. We regret that all patients screened cannot be accepted for dental care. Your treatment may be too complex for student dentists and may be best managed by a private dentist or your availability may not match that of our clinic schedule.

CONTINUED ON BACK→

DENTAL TREATMENT FEES: HOW MUCH WILL IT COST?

The fees charged are substantially less than the cost of care from a private dentist. The fees for treatment being provided by students are 1/3 to 2/3s lower than in private practice. For patients with advanced dental needs, it may become necessary to refer all or some of your treatment to one of the post-graduate or specialized clinics. Fees for treatment in the advanced clinics are higher than those offered in the student (pre-doctoral) dental clinics, because the providers are graduate dentists working either toward a specialized degree or gaining additional experience in a general dentistry setting. You will be informed if all or part of your dental care requires referral to one of these clinics. Your estimated fees will be presented to you along with a treatment plan before any substantial treatment has begun. Because the SDM is a New York State educational institution, payment plans cannot be offered and **payment is required at time of service.**

If you are a Medicaid recipient, please be aware that Medicaid does not cover all dental procedures. Once accepted as a registered patient, you should discuss all planned treatment with your assigned student so that Medicaid coverage can be determined before treatment begins.

HOW LONG ARE APPOINTMENTS?

Since the SDM is a teaching facility, the length of your appointments and overall treatment will likely take longer than it would from a private dentist. High standards are required of our student dentists, and our clinical faculty continually evaluate the student's abilities and skills. Treatment at the SDM typically progresses more slowly and requires more frequent visits. **Therefore, you should expect to spend approximately 3 hours per appointment.** This attention to detail requires more of your time, but assures you of quality dental care.

If your schedule is such that it is difficult for you to come frequently and stay for the rather lengthy appointments often required, then you should consider seeking care from another dental provider.

MY CHILDREN NEED DENTAL CARE, WHO CAN I CONTACT?

The UB School of Dental Medicine has a Pediatric Dental Department, which specializes in dental care for toddlers, children and adolescents (ages 0-17). This department handles their own screening appointments and you may contact them directly for additional information at (716) 829-2723.

MY CHILDREN MAY NEED BRACES, WHO CAN I CONTACT?

The School of Dental Medicine has an Orthodontic Department, which specializes in correcting problems associated with spacing and crowding of teeth. This department offers screening at various times of the year. For acceptance into their clinics, you may contact them directly for additional information at (716) 829-2845.

CLINIC HOURS

Clinic hours are 9:00 AM to 12:00 PM and 1:00 to 4:00 PM Monday through Friday. Clinics are closed weekends and some holidays that are recognized by the University.

Questions regarding the application process can be directed to Patient Admissions at (716) 829-2732.

Acknowledgement of Patient Rights and Responsibilities

As a patient of the University at Buffalo School of Dental Medicine (UB Dental), I understand I make an important contribution to the education of my student dentist. Observance of Patient Rights and Responsibilities will lead to more effective patient care and greater satisfaction for the patient and all those who function at UB Dental.

A complete list of Patient Rights and Responsibilities is included in the Patient Information Booklet, on-line at: <http://dental.buffalo.edu/> and posted in several locations within the building.

Due to the economical value and the quality of dental services offered at UB Dental, there is often a wait list to become screened and accepted as a patient. Oftentimes, patients are unaware of their commitment to their student dentist, and are discharged as a result. As a patient I understand I must:

1. **Keep all appointments** – missing an appointment or canceling with less than 24-hour notice more than 2 times is grounds for discharge.
2. **Be available** - 3-4 times per month for a 3-hour clinic session – *throughout winter months* when school is in session
3. **Respond to my student dentist** – have a working phone number and return voice mail messages within *48 hours*
4. **Pay my bill in full at the time services are rendered**- grounds for discharge if over 60 days past-due
5. **Be on-time for appointments** –more than 15 minutes late is considered a missed appointment
6. **Follow the treatment plan recommended** – UB Dental does not operate like a private office – students are required to address all disease. Patients must consent to all examination procedures, tests, x-rays, premedication, local anesthesia and dental treatment ordered as indicated by sound and prudent dental practices.
7. **Be respectful of all SDM personnel** – *No Tolerance policy* - any inappropriate comments of a cultural, ethnic, or sexual nature are grounds for immediate dismissal.

I, _____, fully understand I am making a commitment to my student dentist, which will take time, patience and mutual respect. I agree to all of the above requirements.
