

# CHESS CLUB

**Club Purpose:** UB Dental Chess Club is an educational organization that promotes mental health and a leisure activity by engaging in the world's most famous board game! Chess club welcomes player of all levels from beginner to advanced.

## Meetings & Events

**Meetings:** Meetings: General body meetings are active and engaging for all students, beginner and advanced. We aim to provide a small introduction, review puzzles that enhances tactics, and cover openings or end-game strategies that can then be used in friendly matches shortly after.

**Chess @ Lunch:** Chess boards will be available in squire lounge and out at the quad (when weather permits) during lunch for all students to learn, play, or watch at their own leisure
