Club Purpose:

The Oral and Maxillofacial Surgery Interest Group is a student-run organization with the goal of expanding the scope of knowledge and clinical exposure in oral surgery. The group welcomes predoctoral dental students with an interest in OMFS who are planning to pursue the specialty as a future career, or students that have particular interest in expanding their knowledge of the field. The purpose of the group is to help students build a strong foundation in OMFS to prepare them for their future in oral and maxillofacial surgery or general dentistry.

Notable Events:

- Journal/ OMFS topic presentations
- Networking events/ Presentations by Oral and Maxillofacial Surgeons
- Manual dexterity workshops: Suture clinic, arch bar fixation, etc.
- Outreach events: Give kids a smile day, Give vets a smile day
- Mock interviews/ Professional Development Workshops

When you meet:

Once a month for a meeting or event!

How to Join:

Sign up at the club fair! We will host a General Body Meeting in the next few weeks to further discuss our mission and future plans. We may create positions for D1 students- Stay tuned!
