

ASDA Advocacy

Eboard/Chairs:

Legislative Liaison: Shruti Gajbhiye
Legislative Liaison Elect: Daniel Keller

Club Purpose:

We help keep dental students involved in what is going on in the dental healthcare world while we are still in school which gives us a way to help patients get appropriate care before we are out of school. We give a perspective on dentistry that goes beyond the hands-on work and we advocate for policies that are in the best interest of our patients and ourselves as providers. We also keep students informed on new legislation that is being passed and learn how to effectively communicate with members of congress.

Notable Events:

- ★ Pasta and Politics
- ★ District Meetings
- ★ Washington DC Lobby Day
- ★ Red, White, and Brew
