Club Purpose: UB myFace acts as a branch for myFace, the leading non-profit organization for supporting patients with craniofacial abnormalities. The organization focuses on changing the faces - and transforming the lives - of children and adults with facial differences. This club will educate dental students on how to provide access to holistic comprehensive care, education, resources, and support that pave the way for better outcomes for those impacted by craniofacial conditions.

Events: Annual Races for Faces 5K, Guest Speakers, Webinars, myFace Celebrates Party in NYC, and more!

How to Join: This upcoming semester will be **the first semester UB myFace is up and running!**

We would love to have as many new members as possible so please don't hesitate to reach out to anyone on the E-board with any questions! An email will be sent out to everyone within a week or two with more information on how to attend the first general meeting of the semester! We hope to see you there!
