## SDM's Department of Orthodontics Hosts Ortho Free Screening Day

[Advanced Education Residents, Department of Orthodontics](#)

UB's School of Dental Medicine's Department of Orthodontics held a successful Ortho Free Screening Day. Many of the department's residents and volunteer dental students participated. All of the patients that were scheduled received free screenings and consultations.

"All in all, the event was an excellent team building activity. We were able to evaluate patients' needs for orthodontic treatment and to identify and refer patients for other interdisciplinary treatments within the SDM," stated Dr. Thikriat Al-Jewair, Associate Professor, Director of the Advanced Education Program in Orthodontics, Department of Orthodontics.

Congratulations and thanks to all who participated!
