

SDM's Dr. Ramtin Sadid-Zadeh to Chair Committees for the American College of Prosthodontics

Dr. Ramtin Sadid-Zadeh, DDS, MS

After serving for 8 years on different committees at the American College of Prosthodontists (ACP) Dr. Ramtin Sadid-Zadeh, Assistant Dean for Digital Dental Technologies, Assistant Director, Advanced Education in Prosthodontics and Associate Professor, Department of Restorative Dentistry, has been chosen to chair three committees.

The committees are:

1. The Digital Dentistry Curriculum Committee
2. The Predoctoral Education Committee
3. The ACP Annual Session 2023

Dr. Sadid has inspired many students to pursue Advanced Education in Prosthodontics throughout his career. He has published over 30 papers in prestigious peer-reviewed, national, and international journals. His research interests have focused on Digital Dentistry, Dental Education, and Dental Materials.

Founded in 1970, the American College of Prosthodontists is a national, not-for-profit organization created to represent the needs and interests of prosthodontists within organized dentistry, and to the public, by providing opportunities for dialogue, education, advancement, and improvement through meetings, continuing education, communications, publications, and other programs and activities.

Please join us in congratulating [Dr. Sadid-Zadeh](#) on receiving these prestigious appointments.
